EXPERIENCE

Senior Product Designer

Wells Fargo | HR | Charlotte, NC
2020 - Present

Spearheads the design of Wells Fargo's HR service portal and HCM, utilizing Axure RP & Figma to build interactive prototypes and gain feedback through usability studies. Responsible for the UI of service management portals on ServiceNow. Leverages insights through card sorts, first-click tests, and interviews to guide each iteration. Leads design of workforce reporting dashboard for the head of HR and other executives, built in Tableau & Power BI.

UX/UI Designer

National Cancer Institute, NIH | Financial Crimes Enforcement Network | Consumer Financial Protection Bureau | Washington, D.C.
2019 - 2020

Lead designer on 3 different government engagements, working closely with developers and interviewing stakeholders to create internal sites for purposes spanning analytics reporting, tracking fraud, facilitating communication between financial institutions and enhancing IT service management (ITSM) portals.

Brand Specialist and Media Producer

Skenderis Studios, LLC | DC/MD/VA
2014 - 2019

Designed websites & UI design systems, provided branding guidance, marketing assets, and produced videos for small businesses. Utilized UX metrics to document increases in brand recognition and overall sales.

News & Film Production Work

DC/MD/VA
2012 - 2015

Various production work for National Geographic, House of Cards (Netflix), Captain America: Winter Soldier, VEEP, Covert Affairs, and USA TODAY Video.
